Asia UK
Property Fund LLP

Asia UK

A flexible and diverse approach to property investment.

Asia UK's current portfolio comprises a range of developments across all property sectors. We will consider each new opportunity on its own merits, without being tied to having to meet "fund targets".

If you have any property opportunities and are looking for investment, send your property details and any related documents to our senior and professional investors at Asia UK online.

How we can help you

- Immediate access to substantial private funds.
- No finance required to complete deals.
- Experienced professionals with proven credibility acting as principal not agent, with the benefit of immediate decision making.
- Ability to contract quickly without third party delays.
- Wide breadth of investment opportunities considered including:
 - Industrial
 - Offices
 - Retail & Leisure
 - Residential
 - Land bank
- Flexible approach to acquisition structuring, including JV's if appropriate.
- Confidentiality assured.
- Investment from £500,000 to £50,000,000.
- Average investment approximately £3,000,000.
